Biography

Alex Hobson is a contract patent agent for Devlin Law Firm LLC.

Alex Hobson is an experienced registered patent agent with the United States Patent and Trademark Office and has prepared more than 400 patents over the last 6 years. He prepares patents with strategies to provide clients the best opportunity to secure broad claim protection for their inventions. Prior to focusing on patent law, Alex worked with one of the most innovative companies in the country and was a prolific inventor, being named as an inventor on more than 20 patent applications. This experience enables him to communicate well with inventors and clients from a broad range of technology areas to ensure that alternative embodiments of the invention are captured.
