Biography

Chiara Carni is an Associate at Devlin Law Firm LLC. Passionate about the intersection of science and law, Ms. Carni's practice is focused on complex technology litigation, representing various clients, including universities interested in protecting their intellectual property. Ms. Carni's background in biology assists her day-to-day understanding of her matters. She was previously an Associate in the Intellectual Property practice at Goldberg Segalla LLP. Before joining Goldberg, Ms. Carni was a research associate with the Innovation Law Center at Syracuse University College of Law, where her work involved reporting on and evaluating clients' patentability potential for inventions such as medical devices, computer software, and copolymers.
