Biography

Robert "Rob" Kiddie is partner at Devlin Law Firm, where he represents clients in complex disputes, drawing on his experience in patent enforcement, licensing, and strategic litigation planning. He works closely with innovators, businesses, and entrepreneurs to resolve patent disputes and develop strategies that safeguard their competitive edge. Rob brings practical insight to each matter, guiding clients through the complexities of litigation and negotiation with a focus on achieving efficient, effective results. His experience spans a wide range of industries, and he is dedicated to providing clear, actionable advice that aligns with each client's goals.

Outside the office, Rob is active in his community including as a founding member of the Georgetown Beard Club, an irreverent 501(c)(3) organization that supports local causes and events.

Representative Cases
